Concession Stand update:

- The first football game is scheduled for August 19. At this point, it seems to be unlikely that the field will be ready for the first game.
- The new concession stand is not likely to be completed until the end of the year; however, concessions will be sold at every home game.
- Mr. Paul Vanderlinden has accepted an appointment as the Concession Stand Chairman. We would still like to see another parent volunteer for a possible co-chair position in order to train for future leadership needs in this area.
- The Munford Touchdown club is still offering everyone an opportunity to have their personal ads placed in the Football program for the 2011 season. The Deadline for submission is July 22.
